

## **School's Out For Summer!**

Week 1: May 31<sup>st</sup> – June 3<sup>rd</sup>

Welcome to another great summer at Wembley Summer Camp! Our counselors are so excited to get to know this week's campers and kick-start the summer with all kinds of fun! This week is all about starting off the summer with all the favorites: games, crafts, and activities we've been waiting all school year to do!

Tuesday, we'll spend the day getting to know each other, playing our favorite games, and lots of time cooling off in the pool. We'll be making new friends, reuniting with familiar friends, and learning all the new names!

Wednesday will begin with an intense scavenger hunt, followed by dodge ball, capture the flag, and more swimming!

Thursday will be a blast when we tie-dye shirts, learn new games, have a paper airplane flying contest, and play ultimate Simon says and a word relay race challenge.

Fridays always start with campers versus counselors in the morning. It's Fun Friday, so everyone will wear their shirts they tie-dyed yesterday and kids choose the games! We'll finish off the first week of camp with popsicles and treasure chest prizes!

**\*\*Parents: please send your kids to camp with a white t-shirt for your kids to tie-dye on Thursday!\*\***
